Our costs

Our costs include care management, package management and administration services.

Care management includes personalised assessments with your Care Manager to effectively assess and coordinate services to best suit your needs. This service is provided on a regular basis to ensure you are equipped with supports required to remain living at home.

Package management and administration services include the costs associated for management of package funds, preparation of statements and quality of service.

The Federal Government will pay the Fortnightly Home Care Package funding amount in full if you are a full pensioner. If you are a part pensioner or a self-funded retiree an income test applies that will determine the amount the Federal Government will ask you contribute to your fortnightly Home Care Package funding.
