

NEWSLETTER

Volume 1 Issue 5 - November 2020

TO OUR RESIDENTS, CLIENTS, FAMILIES & CARERS

Welcome to the festive season!

On behalf of Staff and Management I wish to extend a heartfelt thank you for your continued support and understanding throughout 2020.

From Thursday 26 November 2020 it was announced that there are now no limits on the number, reason or durations of visits to aged care.

To support and maintain the health and wellbeing of staff, residents and our community the following restrictions will remain in place:

- Density limits apply to spaced that are communal for visitors and residents (e.g. waiting rooms or spaces that are made available for visitors);
- No density limits apply to residents own rooms (even if they have visitors) or to resident only spaced;
- Visitors must comply with infection prevention measurement including, wearing a mask, hand washing and being symptom free; and
- On arrival visitors must complete temperature checks, screening and signed declarations.

With Christmas just around the corner we wish to encourage all families to take their loved one's home this Christmas Day. Please notify our facilities of your plans prior so that the appropriate arrangements can be made.

Wishing you and your loved ones a Merry Christmas and a happy and safe New Year.

Yours sincerely

Sally Weatherley
General Manager Aged Care
